MESSAGE

I am happy to learn that the **"India Clean Seas" – an International Conference & Exhibition, 2016** is being organized in Goa from 22-24 September 2016.

I fully appreciate and support your efforts in organizing an event bringing together all the stakeholders to highlight the issues and challenges being faced by the marine industry.

I trust the Conference would discuss and produce meaningful results that would contribute immensely to the development of strategies, solutions and provide new direction to address the threats to our oceans.

Once again, I congratulate and extend my best wishes for the success of the Conference and Exhibition.
